A one-line takeaway, key points and the change mix bar showing how many items in the section fall into each category.

### Page references

References such as E1 p.3 give the source document (Appendix A) and page each value was read from. Expiring values are the policy as amended by its endorsements.

This comparison summarises differences between the expiring policy (as amended by its endorsements and policy changes) and the renewal document, for discussion purposes. It does not replace the policy wording: coverage is determined solely by the policies as issued.
