How to Read This Report

▼ Reduced

Critical

Coverage reduced, or a protection the insured relies on is missing.

▲ Improved

Medium

Coverage increased or broadened.

≡ No impact

Low

Changed, with no effect on coverage (dates, numbers, premium).

? Confirm

High

Effect depends on wording or facts still being confirmed.

Severity bars

— how much the change matters to this client:

Critical

High

Medium

Low

Risk Analysis

Every section opens with a Risk Analysis: how much the section's changes expose the client (*Low / Medium / High*), and how confident Fideon is in the underlying reading (*Confidence*), with the reason.

Section summary

A one-line takeaway, key points and the change mix bar showing how many items in the section fall into each colour.

Page references

References such as

E1 p.3

 give the source document (Appendix A) and page each value was read from. Expiring values are the policy as amended by its endorsements.

This comparison summarises differences between the expiring policy (as amended by its endorsements and policy changes) and the renewal document, for discussion purposes. It does not replace the policy wording: coverage is determined solely by the policies as issued.
